Footprint Trucks!

You will need:

- * white paper
- * paints
- * paintbrush
- * safety scissors
- * an adult to help you

1 Ask an adult to help you make a footprint with green or yellow paint on a piece of white paper.

2 When dry, use paint and a paintbrush to add the detail of the truck that you're making.

3 Finally, carefully cut out your wheels from the side of this page and add them on to each truck!
Brum brum!

Cut out these wheels to add to your trucks!

TOP TIP!

If you don't want to print your foot, you could draw around it instead, then use paint to fill it in!

Win!

Send in a picture of you and the things you've made to peppa@redan.com with a full address for a chance to win a prize.
